Performance of States, Chief Ministers, and Political Parties

Under the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Rule 16(2), notified on 31 March 1995, the state level high power vigilance and monitoring committee (SVMC) meeting is mandatory in January and July each year. If followed in letter and spirit 42 SVMC meetings would have been conducted by 31 July 2021 – or at the very least by the end of calendar year 2021.

State performance

None of the mandatory 42 SVMC meetings were conducted in the period of 09 November 2000 to 31 December 2021. From 2000 to 2005, the state level high power vigilance and monitoring committee was not constituted. Though in 2006, the committee reviewed the implementation of the act, till now no meetings of SVMC were conducted.

Chief ministers' scorecard

Conducting this meeting on time is fully, and directly, within the control of the chief minister of the state who is the chairperson of the committee. SVMC meetings are an essential state mechanism to ensure that officials perform their tasks responsibly and are held accountable. It is an important indicator of the chief minister's commitment to social justice and an important ritual and substantive accountability mechanism for the implementation of the Act.

Political parties scorecard

The party-wise record is not better, though all parties profess social justice, the Indian National Congress stands nil in the list with an overall compliance rate of 0% having conducted zero of the mandatory 20 meetings. Bharatiya Janata Party has played no role in conducting SVMC meetings in spite of having the highest mandatory meetings of 22 as compared to other political parties. Both National parties stand with 0% compliance in conduction of state level high power vigilance and monitoring committee meetings.

All parties fail in minimum compliance when benchmarked against this parameter.
